

Brandon Clements

Looking to apply my existing software development knowledge and grow in a role where I can work on meaningful projects that help people.

Curriculum Vitae

Skills & abilities

Strong ASP.NET and MVC foundations. Working knowledge of C#, JavaScript, HTML, CSS, and SQL. Knowledge in various technologies such as Entity Framework, React, GitHub, and SQL Server. Also experienced in Python, Java, and C++.

Communication

Excellent written and verbal communication skills. Proven ability to communicate complex ideas and concepts to diverse audiences. Skilled in teamwork and conflict resolution.

Leadership

Currently serve in mentoring in my local church and training others in missions skills.

Education

Auburn University
